SMS BANKING

How it all works.

Now you can do your day-to-day banking on your mobile phone from anywhere* and at anytime.

You don't need to go into the bank.

***"Roaming" requirements from your mobile network operators applicable.*

Features

SMS Banking allows you to do your day-to-day banking anywhere you can use your mobile phone.

You can:

1. Check your **balance** - obtain the balance of your registered bank account.
2. Check your **transactions** - view the last 3 transactions of your linked bank account.
3. **Funds Transfer** - make transfers to 'registered payee' account(s) that you have nominated in your registration form.
4. **Top up*** - top up your own mobile, flashnet, web box, digi modem or someone else's phone that you have registered for Top Up. **Please refer to Top Up brochure.*
5. **Billpay*** - pay bills to your registered billers from the list of nominated billers provided. **Please refer to Billpay brochure.*

Benefits

You don't need to go to the bank or ATM. You can save time and a trip to the bank or ATM by using your mobile phone.

1. Available 24 hours a day, 7 days a week.
2. Easy access to your account information at your convenience.

What you need to know

1. SMS Banking registrations are done at any BSP branch near you. You are required to have a registered bank account and pre-pay mobile number(s).
2. A 'registered' bank account is any personal cheque or savings account linked to a debit card.
3. A 'registered' mobile phone refers to any mobile number you wish to register and 'top up' by paying from your registered bank account.
4. Electronic transaction fees apply. Please refer to *Banking Services Fees & Charges* brochure.
5. Normal SMS charges will be applied by mobile network operators.

Upon Registration

Once your registration has been successful, you will receive a welcome text message on your mobile phone.
