

# PUBLIC NOTICE

We advise that BSP will be moving to a single card scheme platform with VISA soon.

As a result, from Monday 11 January 2021, BSP will cease the issuance of Mastercard.

From Monday 25 January 2021, all replacement orders for Mastercard Credit cards will be issued with a VISA Credit card instead.

The new VISA Credit card will retain all the features and the line of credit of the old Mastercard Credit card with no change to existing Credit card fees.
